

Check your vaccine storage space temperature today—Days 1-15

Instructions:

Place an "X" in the box that corresponds with the temperature (rows), day of the month, and am or pm (columns) for your temperature check. Then write your initials and the time you monitored the refrigerator/freezer temperatures at the bottom of the chart. If the temperature is in the grey range:

1. Store the vaccine under proper conditions as quickly as possible.
2. Call the appropriate vaccine manufacturer and/or immunization program at your local health department for further assistance. For Merck product and service information call the Merck Vaccine Customer Center at 1-800-MERCK-90 (1-800-637-2590), Monday through Friday, 8:00 am to 7:00 pm EST.
3. Document and date the corrective action taken.
