

Welcome to your new MerckVaccines.com® website.

We know your time is limited.
Your MerckVaccines.com site has been redesigned to help make accessing product and disease information and placing orders *convenient for you.*

WHAT'S CHANGED

Cleaner look and feel

Get right to the information you need with reorganized content and intuitive navigation. Discover helpful resources to support your practice.

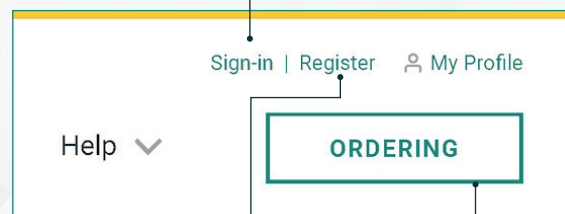

Simplified log in and navigation

For existing users – You'll still be able to access MerckVaccines.com using your current email address. As a one-time security upgrade, you'll be asked to reset your password when you log in.

You will also be able to use your MerckVaccines.com login to access other Merck websites, such as MyMerckAccounts.com and MerckConnect.com

For new users – Simply click on "Register" and you will be guided through the registration process, step-by-step!

After completing the required steps, you will be able to sign in as usual and access your account, place orders, or access educational resources.

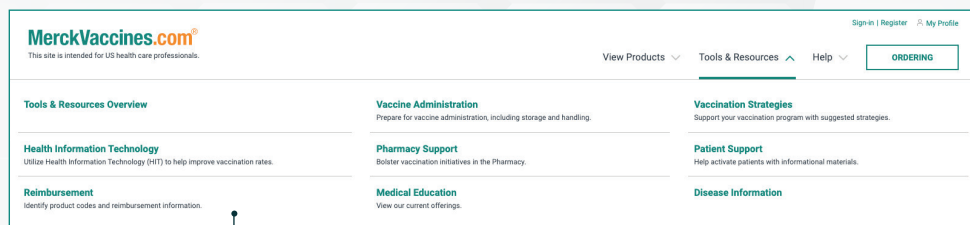

If you need any help along the way, call 877.VAX.MERCK (877.829.6372) to speak with one of our helpful representatives.

New look, same ordering experience

Simply click the "Ordering" button and log in to place orders. New to Merck Vaccines?

Clicking this button will also take you to information about how to order Merck products.

Welcome to your new MerckVaccines.com® website.

“Professional Resources” is now named “Tools & Resources”

and includes quick menu bar access to sections about Disease Information, Vaccine Administration, Vaccine Strategies, Health Information Technology, Pharmacy Support, and Reimbursement.

Faster access to expanded resources

“Quick Links” and “Useful Links” have been combined into a “Helpful Links” section, now located at the bottom of most pages.

Helpful Links		
Supply Status	→	Storage and Handling
Prime Distributors	→	Disaster Relief Returns Program
Return Merchandise	→	Packaging Information Guide
Shipping Schedule	→	DSCSA T3 Data
		Ordering
		Informational Links
		Terms & Conditions of Sale
		Reimbursement Codes

YOU CAN STILL COUNT ON

Common navigation for product information

Products are prominently linked from the home page and feature similar page navigation to help you find what you need quickly.

Convenient left side links

All menu bars still offer easy access to Disease Information, Dosage and Administration, and more.

Accessible, friendly help
